

Degree Programs Open to International Students in the 2016-2017 Academic Year

● : Programs taught in Chinese

★ : Programs taught in English

※ : Programs partly taught in English

▲ : Enough English-language courses to satisfy graduation requirements

Program	Degree		
	Bachelor's	Master's	Ph.D.
College of Engineering			
Department of Mechanical and Computer-Aided Engineering	※	※	
Department of Fiber and Composite Materials	●	●	▲
Department of Industrial Engineering and Systems Management	●	●	▲
Department of Chemical Engineering	●	※	▲
Department of Aerospace and System Engineering	●	※	
Bachelor's Program of Precision Systems Design	●		
Ph.D. Program of Mechanical and Aeronautical Engineering			▲
Master's Program of Electro-acoustics		※	
Master's Program of Green Energy Science and Technology		※	
Master's Program of Creative Design		●	
College of Business			
Department of Accounting	●	●	
Department of Business Administration	●	●	
Department of Economics	●	※	▲
Department of Statistics	●	●	★
Department of Marketing	※		
Department of Cooperative Economics and Social Entrepreneurship	●	●	
Department of International Business	●	★	

Program	Degree		
	Bachelor's	Master's	Ph.D.
Master's Program of Management of Technology		✖	
Department of Public Finance	●	●	
Master's Program, Graduate Institute of Financial and Economic Law		✖	
Ph.D. Program of Business ©Business Management-International Program			▲*
Bachelor's Program of International Business Administration Program	★		
International School of Technology and Management			
International Master's Program of Business and Administration		★	
Dual-Degree Master's Program in Logistics and Entrepreneurship		★	
Dual-Degree Bachelor's Program in Business and Innovation	★		
College of Finance			
Department of Finance	●	●	
Department of Risk Management and Insurance	●	●	
Bachelor's Program of Financial Engineering and Actuarial Science	●		
Ph.D. Program of Finance			▲
College of Sciences			
Department of Applied Mathematics	●	●	
Department of Photonics	✖	✖	
Department of Environmental Engineering and Science	●	✖	▲
Department of Materials Science and Engineering	●	▲	▲
College of Humanities and Social Sciences			
Department of Chinese Literature	●	●	●
Department of Foreign Languages and Literature	▲	★	
Master's Program, Graduate Institute of History and Artefacts		●	
Master's Program, Graduate Institute of Public Policy		●	

Program		Degree		
		Bachelor's	Master's	Ph.D.
College of Information and Electrical Engineering				
Department of Information Engineering and Computer Science		●	▲	▲
Department of Electronic Engineering		●	✖	
Department of Electrical Engineering		●	✖	
Department of Automatic Control Engineering		✖	✖	
Honor Program, College of Information and Electrical Engineering		●		
Department of Communications Engineering		●	✖	
Ph.D. Program of Electrical and Communication Engineering				▲
Master's Program of Biomedical Informatics and Biomedical Engineering			✖	
College of Construction and Development				
Department of Civil Engineering		●	✖	
Department of Water Resources Engineering and Conservation		●	✖	
Master's Program of Landscape and Recreation			✖	
Department of Transportation Technology and Management		●	●	
Department of Urban Planning and Spatial Information	◎Spatial Information Division	●	●	
	◎Urban Planning Division			
Department of Land Management		●	●	
Ph.D. Program of Civil and Hydraulic Engineering	◎ International Program of Geoinformatics			★
	◎Civil Engineering			
	◎Hydraulic Engineering			●
	◎Resources Planning			
School of Architecture				
General Program, School of Architecture		✖		
Master's Program of Architecture			✖	

* Notes: For the Ph.D. Program of Business-Business Management, a minimum of three students must be registered for English-language courses.
